HFx™

Here's what people are saying about the best propagation software available:

This is a cool product! – *Ham Radio Online*

HFx will become a powerful force in the field of HF-propagation prediction and analysis. – *QST*

HFx figures among the most complete and best developed prediction software tools. – *Megahertz*

Very intuitive and visual . . . easy to understand! – *CQ (Japan)*

It's uncanny how accurate (HFx) is! – *N9VHW*
